ROYAL MILITARY COLLEGE
OF
CANADA

THE Royal Military College of Canada is the only National Educational Institution in the Dominion and is specially designed to furnish the Gentlemen Cadets with a high scientific and academic education which will provide the foundation for their success in either civil or military life.

Commissions in the British Regular Army, Indian Army, Royal Air Force, Canadian Permanent Force and Royal Canadian Air Force are offered annually to Graduates.

A limited number of Naval Cadetships are available to Gentlemen Cadets who successfully complete the first two years at the Royal Military College, and who desire to obtain commissions in the Royal Navy or Royal Canadian Navy.

A Diploma of Graduation from the Royal Military College is accepted by the principal Universities of Canada as equivalent, subject for subject, to those covered in the first three years of the university course.

The length of the course is four years in four terms of about ten months each, and the total cost of the course, including accommodation, board, uniform, instructional materials, etc., is about $1,500.

Candidates must have reached 16 years of age and not have passed their 19th birthday on the 1st of January of the year in which they desire to enter the College. The entrance qualifications are Junior Matriculation in Arts or Science or the accepted equivalent examination for the Province in which the candidate resides. Vacancies are allotted, according to population, to the respective Provinces, and are filled in order of merit obtained by candidates in the examinations above mentioned.

Applications, accompanied by a certified abstract, in duplicate, from the Births Register and two certificates of good moral character, each covering at least the two years immediately preceding the date of application and signed, respectively, by the clergyman of the place of worship the candidate usually attends and the head of the school or college he last attended, should be submitted before the 31st of May to

THE SECRETARY,
